ANNOUNCE THE COMPLETION OF A MOST REMARKABLE DISPLAY OF

English & French Half Hose and Golf Hose, for Men

To those who do not readily grasp the important advantages of the specialty shop, this exhibit should prove highly enlightening.

It is certain that nowhere else could a parallel be found for the completeness of our collection or for the diversity of styles and colorings presented. In every sense this is a specialty showing—the cream and choice of patterns, color combinations, textures and finishes; the finest grades that England and France create.

The productions of I. & R. Morley of London are liberally represented, including half-hose of lisles, cotton, heather or Oxford mixtures, also pure wools, made especially for Saks & Company and now offered

at very attractive prices

Special—a new importation of French Half Hose

Full-fashioned, two-toned liste thread Hose made in) distinctive reproductions of the pure silk hose that sell at 5.00 the pair. Also in plain colors of jacquard 750 weaves a new stitch.

The Sunday Sun

It is one thing to do a thing well; it is another and better thing to do it well and keep doing it well; and it is still another—and still better—thing to keep doing it better than it has been done before. Here is where THE SUNDAY SUN feels that it has a bit of self-gratulation coming, for it believes that it started well- and that was a great many years ago; that it has kept up the quality of its performance and, what is most important of all, that it has improved every week since it began. To-morrow, for instance, there will be an illustrated page with the title

Women Ready for Vote Fight Felling the plans of the New York State suffragists for another advance on Albany; and the reasons which the fighters for "the cause"

give for confidence in the outcome A Real Beauty Spot of Old New York

There is a block in East Nineteenth street which has been made over by architects and artists until it is a delight to the eye. Another page with pictures.

Wedding Customs in France They haven't changed a bit. The young girl says to her father: "I have been obedient. I have kept my eyes on the ground. I am entitled to a husband. Find me one." And the father says he will and does, to his own liking. This with the new marriage law, a reform measure, over a year old. More pictures, and good ones.
